Independent Auditors' Report

To the Board of Directors
Be An Angel Fund, Inc.
Houston, Texas

We have audited the accompanying statements of financial position of Be An Angel Fund, Inc. (a non-profit organization) as of August 31, 2009 and 2010, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted the audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Be An Angel Fund, Inc. as of August 31, 2009 and 2010, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

BE AN ANGEL FUND, INC.
Notes to the Financial Statements
August 31, 2010

Note A – Summary of Significant Accounting Policies

Organization and Purpose

Be An Angel Fund, Inc. (the Organization) is a nonprofit welfare organization serving children with multiple disabilities or profound deafness and their families in Houston, Dallas and Fort Worth Metropolitan Areas. The Organization raises funds to improve the quality of life of its constituency by providing adaptive equipment and select services to individuals and institutions.

Some of the Organization's projects include:

- Institutional Programs: Such as barrier free playgrounds, hydrotherapy pool and sensory rooms enabling special children the ongoing development and experiences that their bodies need.
- Individual Programs: Such as motorized wheelchairs, hearing aids, nutritional supplements and clothing.
- Activities: Such as field trips and weekend camping retreats designed to allow the entire family to enjoy their time spent together.
- Respite Care: Provides day care and trained staff so that family care givers can work and their children can continue their development during school vacations.
- Christmas Program: Providing 4,006 disabled children from low-income homes with Christmas Gifts.
- Snowday Program: Creating a winter wonderland with the help of over 33 tons of snow, a signing Santa, petting zoo and train rides at T. H. Rogers School.

Volunteer opportunities include:

- Event Angels help set up for events, work the registration tables, organize auction items and run errands at hectic times.
- Christmas Angels assist with one of the Organization's largest events by shopping for the children and wrapping presents.
- Missionary Angels carry the good news about the Organization into the community. They seek volunteers and donations at shopping malls and local events.
- Entertainment Angels make children smile through a variety of talents, which may include art, music and clowning.

Income Tax

The Organization is exempt from federal income taxes under Section 501(c) (3) of the Internal Revenue Code and has been classified as an Organization that is not a private foundation under Section 509(a) of the Internal Revenue Code. Accordingly, the Organization is not required to pay income taxes.

Basis of Accounting

The accompanying financial statements are presented using the accrual basis of accounting, as it is required by generally accepted accounting principles. Revenues are recorded when earned, and expenses are recorded when incurred.

Financial Statement Presentation

The organization presents its financial statements in accordance with Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted – Net assets that are not subject to donor-imposed restrictions. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

Temporarily Restricted – Net assets whose use is subject to donor-imposed restrictions that can be fulfilled by actions of the Organization pursuant to those restrictions or that expire by the passage of time. All donor-restricted support is reported as an increase in temporarily restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction lapses or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently Restricted – Net assets subject to donor-imposed restrictions require that they be maintained permanently by the Organization. The organization does not have any permanently restricted net assets as of August 31, 2010.

Contributions

The Organization accounts for contributions in accordance with recommendations of the Financial Accounting Standards Board in SFAS No. 116, *Accounting for Contributions Received and Contributions Made*. In accordance with SFAS No. 116 contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in temporarily restricted or permanently restricted net assets in the reporting period in which the support is recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Organization considers all highly liquid investments with initial maturities of three months or less to be cash equivalents.

Property and Equipment

Furniture and equipment are stated at cost, or if donated, the fair value on the date received. Depreciation is provided using the straight-line method for temporary building and accelerated methods for fixtures and equipment over the estimated useful life of the assets. Total depreciation for each of the years ending August 2009 & 2010 was \$8,780.

Donated Material and Services

Donated materials and equipment are reflected as contributions in the accompanying statements at their estimated values at date of receipt. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. The Organization recognizes donated services that create or enhance non financial assets or that require specialized skills and are provided by individuals possessing those skills, and would typically need to be purchased, if not provided by donation.

The value of other donated services is not reflected in the accompanying financial statements since there is no objective basis available by which to measure the value of such services. However, a substantial number of volunteers, including the Board of Directors, have donated significant amounts of their time in the Organization's efforts.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates relate primarily to lives used in asset depreciation, fair values used to record in-kind contributions, and the functional allocation of expenses. Actual results could differ from those estimates.

Note B – Partnership Interests

Four closely held limited partnership interests have been donated to the Organization and are recorded at fair value. The portion of the capital originally donated to the Organization reverts to the donors at the end of the partnership term. Distributions from the partnerships have been recorded as reductions in the carrying value of the assets. During the years ended August 2009 and 2010, distributions received were \$26,985 and \$13,747 respectively.

Note C – Temporarily Restricted Net Assets

Temporarily restricted net assets consisted of the following:

	2009	2010
Alternatives for Angels	\$ 37,668	\$ 12,660
Hearing Aids - Latin America	15,237	3,238
Oleson Elementary Playground	-	10,000
Aldine ISD EXPO	-	550
Golf Ball Drop	-	1,850
Nutritional Program	-	6,023
Hearing Aids - Local	1,401	-
Partnership Interests	38,383	24,636
	<u>\$ 92,689</u>	<u>\$ 58,957</u>

Note D — Office Facilities

During the year ended August 31, 2009, the Organization purchased a portable building for use as an office. The total cost was \$ 74,471. Aldine Independent School District provides space for the building at no charge. \$13,200 has been recorded as in-kind contributions for rent and utilities. Certain schools and students in the Aldine Independent School District are beneficiaries of some of the Organization's programs.

Note E – Concentration of Credit Risk

The Organization maintains its cash in bank deposit accounts, which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk on cash.

Note F - Other Concentrations

Donations from the Organization's annual Christmas fund raising drive were \$506,314 in 2009 and \$476,555 in 2010. This included \$31,170 of in-kind contributions in 2009 and \$34,400 in 2010.

A company that board member Dan Patrick has an ownership interest in, donated public service announcements in connection with the Organization's annual Christmas fundraising drive and golf tournament.

The Organization does not have any commitments from the aforementioned contributors to continue such activities in the future.

Note G – Municipal Bonds

During the year ended August 31, 2007, the Organization purchased \$50,000 in Wake County, North Carolina municipal bonds. The bonds are rated AAA by both Moody's and S&P and bear the interest rate of 3.62%. The bonds are due in October 2022 and the fair market value at year end is the same as the purchase price.
